Dear Y13 Student

## RESULTS DAY INFORMATION

### What time should I come in for my results?

Electronic print-outs of results including UMS scores will be available from 06:30 19 August in the Lecture Room. Please only come at this time if you have concerns about having missed your grades for your university choices. If you have already heard that you have been accepted at your first choice university please come at 10:00 to pick up the paper copy of your results.

Experience has shown that there is an advantage for those students who need to use the UCAS clearing system or who need to speak directly to admissions officers about missed grades in starting as early as possible. In addition there is a facility for any student who has exceeded their predicted grades to apply to a course with higher grades than their current first choice.

### How can I get my results if I am away on results day?

You may give written authorisation to a friend or relative to pick up the results on your behalf. These authorising letters must be sent to our Exams Office Mrs Bowen before the end of term.

### Date for your diary

The A Level Certificate evening will be held on 15 December from 18:00 so please put this date in your diary now.

I hope you have a restful and enjoyable summer and every good wish for your results.

Best wishes
